## MISTAR PARENTPORTAL ACCESS

The Woodhaven-Brownstown School District believes in collaboration and communication between parents and schools. In an effort to build on this belief, and to ensure academic success for all of our students, we are implementing MISTAR ParentPortal. MISTAR is the Woodhaven-Brownstown School District's student information data system. ParentPortal is a web-based application giving parents secured access to view their child's information on-line. Parents will have access to various information, such as report cards, progress reports, class assignments, testing results, attendance, student schedules, and classroom news, depending on grade level. Below is the MISTAR ParentPortal application. Please list all of your children on one application per household.

Each application will be reviewed for parent/legal guardianship, as access to student information is private and confidential. Please return this form in person to the Registration Department at Woodhaven-Brownstown Administration Offices, 24821 Hall Rd. Woodhaven, MI 48183, or you may also return it to the building your child currently attends.

**Please list all of your school age children below. Each parent/legal guardian who wants access will need to sign the form.**

Once you have turned in the form and it is processed, you will be sent an email with instructions on how to access MISTAR ParentPortal. This information will include your unique Personal Identification Number (PIN) number and a password. Your Pin and Password will be available for parent's access as long as you have a student in the Woodhaven-Brownstown School District.

**If you turn this form in after the registration process, you will have to show identification in order for us to process it.  
We cannot give out a PIN or PASSWORD over the phone.**

Thank you for making your child's educational success a priority.
